(d) The Company expects to achieve complete indigenisation by 1989.

(e) The company has not been able to export its vehicle during the last three years. The company has spent an amount of Rs. 64 crores towards import of components for its first three years of manufacturing programme. The know-how fees paid to the foreign collaborators was US $ 6,25,000 subject to taxes.

(f) The company expects to export vehicles during the next three years, as under:—

1987-88	US $ 300,000
1988-89	US $ 600,000
1989-90	US $ 800,000

Rejection of Punjab Agro-pepsi proposal

3440. SHRI DHARAM CHANDER PRASHANT:

SHRI V. GOPALSAMY:

Will the Minister of INDUSTRY be pleased to refer to the answer to Starred Question 181 given in the Rajya Sabha on the 10th August, 1987 and state:

(a) whether Punjab Agro-Pepsi proposal has been finally rejected;

(b) if not, whether it is being kept pending; and

(c) by when a final decision is likely to be taken?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) and (b) The application is still under the consideration of the Government.

(c) A decision will be taken on the application as soon as possible.

Punjab Agro-Pepsi proposal

3441. SHRI DHARAM CHANDER PRASHANT:

SHRI T. R. BALU:

Will the Minister of INDUSTRY be pleased to state:

(a) whether the promotors of Punjab Agro-Pepsi proposal have given any undertaking to comply with all the rules and regulations in vogue in India, including import, export and trademark regulations; and

(b) if so, what are the details of the undertaking given and what is the reaction of Government thereto?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) and (b) The Punjab Agro-Pepsi proposal is still under the consideration of the Government. All Industrial undertakings have necessarily to comply with the country's laws and regulations as well as the terms and conditions of industrial licences granted to them.

Power intensive industrial units in Orissa

3442. DR. H. P. SHARMA: Will the Minister of INDUSTRY be pleased to state:

(a) what are the major power intensive industrial units in Orissa;

(b) what was the percentage of power requirement of these industries supplied to them during the years 1985-86 and 1986-87 on normal terms and at enhanced rates, separately; and

(c) whether sharp disparities arose in regard to power supply position of these power intensive units in Orissa during these years; if so, what was the main reason for such disparities?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) to (c) The information is

being collected and will be laid on the Table of the House.

Technical collaboration for kitchen sinks and lavatory commodes

3443. SHRI K. G. MAHESWARAPPA: Will the Minister of INDUSTRY be pleased to state:

(a) whether Government have sanctioned technical collaborations with West German and Swedish firms for the manufacture of kitchen sinks and lavatory commodes, respectively, in India;

(b) if so, what are the terms of the collaboration; and

(c) what is the justification for such collaborations?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) This Ministry is concerned with ceramic Sanitarywares including kitchen sinks and lavatory commodes. No technical collaboration with West German/Swedish firms has been sanctioned during the last 5 years specifically for the manufacture of kitchen sinks and lavatory commodes. However two Indian parties have been granted technical collaborations with West German/Swedish firms in 1986 for the manufacture of ceramic sonitartnares.

(b) and (c) Details of all approved foreign collaborations showing the name of the Indian and the foreign firms, item of manufacture, and nature of collaboration are published on a monthly basis by Indian Investment Centre as a supplement to its Monthly News Letter. Copies of this publication are sent regularly to Parliament Library.

As a matter of policy, specific information relating to individual companies, particularly in relating to Financial details terms offered and terms approved thereof are not revealed in the public interest.

Government's Policy towards import of technology is selective and based on National Priorities. Import of technology is permitted in sophisticated and high priority areas, in export oriented or import substitution manufacturing or for enabling indigenous industry to update existing technology in India to meet effectively competition from monopolistic units and to suit changing consumer preference and/or become competitive in the export market.

Capacity utilisation of units of Bengal Immunity

3444. SHRI SUKOMAL SEN: Will the the Minister of INDUSTRY be pleased to state:

(a) what is the production target in terms of money of Bengal Immunity for each month of the year 1987-88 and what is the capacity utilisation of different units of Bengal Immunity for the year 1986-87;

(b) whether it is a fact that the company is producing several items through loan license, which the company can produce itself and if so, the reason therefor and the particulars of these items and the licensee companies; and

(c) whether Chloroquin plant is functioning properly and if not, what are the reasons therefor?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH): (a) A statement is attached. (*See* below)

(b) Due to shortage of working capital, the company is unable to produce several items to full capacity. It is, therefore, meeting market requirements for such items by producing them through loan licence from M/s. Tablets India Ltd., Madras and M/s. Indochem Laboratories Ltd., Madras, who are paid only after realisation of the sales proceeds.

(c) Chloroquin plant is yet to be commissioned, as guarantee runs could not be
